

CanSkate

CanSkate is Skate Canada's flagship learn-to-skate program, designed for beginners of all ages. When you sign up for CanSkate you will be in a program that focuses on fun, participation and basic skill development. You will earn ribbons and badges as you learn the fundamentals of skating. Group lessons are delivered by Certified Skate Canada Coaches and are assisted by trained Program Assistants. The coach to student ratio is a maximum of 1:10. These active sessions include music, teaching aids and a wide variety of activities that create a fun learning environment. CanSkate is the feeder program to all other Skate Canada Skating Programs which includes: CanPowerSkate, SynchroSkate, GroupSTARSkate, STARSkate and CompetitiveSkate.

Why sign up for CanSkate?

CanSkate is Canada's national learn-to-skate program. It was developed by experts to teach the fundamentals of skating in a progressive and sequential manner. Skate Canada - CanSkate membership rewards skaters' progress with: badges, ribbons, stickers, and report cards.

TeenSkate/AdultSkate

This Active for Life program follows the same format as CanSkate; however allows the older skaters to be grouped with their peers.

CanPowerSkate

(Minimum CanSkate Stage 4 required)

This action-packed, high energy instructional power skating program is geared to hockey. Skills, techniques and conditioning drills are taught in a progressive format. CanPowerSkate provides an alternative to figure skating and is an excellent complement for those athletes playing on hockey or ringette teams. Its unique skill award program provides incentives and motivation for skaters to continue to achieve. Full hockey equipment, including a hockey stick, is mandatory for these programs.

PRECanPowerSkate

(Minimum CanSkate Stage 2 required)

PRE CanPower skate is an introductory program designed to teach basic skating skills and technique in a power skating environment. For young hockey enthusiasts wishing to enter the Level 1 CanPower Skate program, but may not yet have the skills, maturity or size to participate with those skaters, PRE CanPower is an excellent option. Hockey equipment and/or sticks are optional for this program.

Program at a Glance

The CanSkate program curriculum is organized into three Fundamental Areas, divided into six stages of learning.

Balance: Concentrating on forward skills, pushing technique and edges.

Control: Concentrating on backwards skills, stopping and speed elements.

Agility: Concentrating on most turning and jumping skills.

GroupSTAR

This session is taught in a group lesson format for skaters that have completed CanSkate and want to continue learning in a group lesson format. Skaters will receive small group instruction in stroking, jumping, spinning and dance.

Helmet Policy

All skaters are required to wear CSA approved hockey helmets until the skater has completed Stage 5. Bicycle helmets are not permitted. This policy is a Skate Canada policy that also includes TeenSkate and AdultSkate participants.

Hamilton Skating Club Administration Fee

The recreational administrative fee will be \$10.00 for this season. This will help to cover the costs of badges, ribbons, etc.

The Hamilton Skating Club is sanctioned by Skate Canada, the national sport governing body. The membership fee includes the skater's insurance. It also provides consistent program delivery and transfer of skater's file to another club, if necessary.
